RE: Provisional Certificate of Approval for Southern Manufacturing Model "CLEAN PROFILE" LED Traffic Signal Signage

Dear Ms. DeFord:

Our office has reviewed your signed and notarized "Acknowledgment of Conditions for Approval" form for Model "CLEAN PROFILE" LED Traffic Signal Signage. At this time, we are issuing the enclosed Provisional Certificate of Approval SMC-003P for this product. This approval allows the sale of equipment within the Commonwealth of Pennsylvania in accordance with the provisions of the enclosed certificate and the acknowledgment of conditions form.

This Provisional Certificate of Approval will be in effect for a period of at least six months, but not to exceed eighteen months, after the installation date of the equipment. After that time, a Sale Certificate of Approval may be issued if the equipment has operated to the satisfaction of our Department.

If you have any questions concerning this matter, please contact Matthew DePaoli of my staff at (717) 787-9787 or madepaoli@state.pa.us.

Sincerely,

A handwritten signature in black ink that reads "Glenn C. Rowe".

Glenn C. Rowe, P.E., PTOE, Chief
Transportation Operations Division

Department of Transportation

Approval Number: SMC-003P
Date Issued: August 10, 2010

**Provisional Certificate of Approval for the Sale of Traffic Signals
or Other Power-Operated Traffic Regulatory Devices**

**To: Southern Manufacturing
501 Herndon Ave
Orlando, FL 32803**

Under authority of the Vehicle Code, the Secretary of Transportation hereby approves the sale of the following described traffic signals or other power-operated traffic regulatory devices in the Commonwealth of Pennsylvania.

Type of Device: Traffic Signal Signage

Model Number: "CLEAN PROFILE" LED

This "Provisional Certificate of Approval" is issued for the sale of the above equipment to permit a functional and operational field test for a period of between six and eighteen months from the date of first installation within the Commonwealth of Pennsylvania. In addition, the purchaser must be advised that the equipment has a provisional approval and the manufacturer or authorized representative must first obtain the written consent of the Chief, Transportation Operations Division, Department of Transportation for each installation of such equipment.

This "Provisional Certificate of Approval" is issued in accordance with the conditions identified in the "Acknowledgment of Conditions for Approval for the Southern Manufacturing Model "CLEAN PROFILE" LED Internally Illuminated Street Name Sign."

Failure to comply with the above will result in the cancellation of this approval.

Approved: Allen D. Biehler, P.E.
Secretary of Transportation
